

Empowering the Margins of Europe: Synergies in Education, Research and Community Engagement by Democritus University of Thrace

Satellite Event

May 21 2026

4:00 pm - 6:00 pm

Central Library Hall, Aristotle University of Thessaloniki

The panel “Empowering the Margins of Europe: Synergies in Education, Research and Community Engagement” explores how different initiatives in higher education, research, and community engagement can be interconnected in order to generate meaningful and systemic impact at the European level.
